Important notes:

1. The dates and times of the webinars in this programme are subject to change at short notice or, where necessary, without notice.
2. The first webinar on 7 February 2023, introducing Continuing Professional Development (CPD), PEG's accreditation scheme and how the webinars contribute to both will carry a fee of only R100, not the usual R275. This fee covers the basic costs of staging a webinar – the administration and the hosting, both of which are outsourced.
3. A special discount will apply when you register and pay for THREE Accreditation Test 2021 webinars (Part 1, Part 2 and Part 3) in advance in one transaction: instead of 3 x R275 = R825, you receive a discount of R175, which means you pay only R650 for those THREE webinars. This discount applies only to PEG

members and only to an early-bird registration, NOT to the full webinar fee. This means that when you register for Part 1 of the Accreditation Test webinar, to qualify for the discount you must qualify for the early-bird fee for Part 1. You will then obtain the discount for all three 2021 Accreditation Test webinars if you register and pay for all three at the same time.

4. A special discount will apply when you register and pay for TWO Accreditation Test 2020 webinars (Part 1 and Part 2) in advance in one transaction: instead of $2 \times R275 = R550$, you receive a discount of R110, which means you pay only R440 for those TWO webinars. This discount applies only to PEG members and only to an early-bird registration, NOT to the full webinar fee. This means that when you register for Part 1 of the Accreditation Test 2020 webinar, to qualify for the discount you must qualify for the early-bird fee for Part 1. You will then obtain the discount for both 2020 Accreditation Test webinars if you register and pay for both at the same time.
